The City of Perth's history actually dates back to Neolithic times and the former Capital of Scotland has changed hands throughout the centuries as Kings fought to defend it, and foreign armies tried their best to conquer it. Scone Palace still stands nearby and is a major visitor attraction, as is the Black Watch Museum & Balhousie Castle. You will have the day to discover as much of the city's history and culture as you can and a few places to start may be the Art Gallery, 13th Century St John's Kirk opposite the hotel, and Fair Maids House, which is still standing after 600 years! For those of you who prefer to hit the shops, Perth has plenty to keep you occupied all day, with lots of main street and speciality retailers. Or why not relax in the hotel and maybe enjoy a gentle walk along the River Tay - we are sure you will find something to do in Perth.

Enjoy this popular tour, returning again for 2017 and travelling through some of Scotland's most picture-perfect scenery. Tour includes visits to St Andrews, home of golf and the meeting place of William & Kate! We also see the Fife Coast and it's pretty fishing villages including a stop for fish & chips in Anstruther. Royal Deeside is home to the Royal family's holiday retreat Balmoral, and we tour through the rugged landscapes that make up this wonderful area of Scotland. Lots to see and explore on this 5 day break to Perth.
